Message from President Glenyse Guinan

Hi Fellow Rotarians

Thank you very much for your trust in appointing me to be your president for the coming year. I would like to thank Past President Jeff Needham and his board for their hard work during the year, especially for their work in forming a Strategic Plan for us to follow. The Plan will provide a smooth transition to the future and ensure we are on a firm footing financially to both continue existing projects and to commence new initiatives.

I would like to thank outgoing board members David Brunt, Bob Goode, Jack Pyziakos, Clem Quick, Bob Travers and Jill Brear. I am grateful for their commitment and ongoing support. The idea of rotating board positions is to ensure our club stays vibrant and fresh and to continually encourage participation from new members. I would like to thank Kay Gordon for agreeing to be Vice President and I would like to welcome and encourage new board members Leon Quinn and Carol Quayle.

Our Rotary Club has a proud history with many wonderful members who have served for long periods. I wish to continue the great heritage and I am sure the club can look forward to the future with optimism.

This year I aim to increase our club fellowship with monthly dinners and day excursions which I hope will be fun for our members and their families.

One new venture I think deserving of special mention is the Gnome Festival in Mordialloc to be held on Australia Day 2013. As more details follow and with the enthusiasm generated from Len Dawson, Jeff Needham, Jack Cooper and Carol Quayle, I am sure that the club will appreciate the increased profile this project will bring for Rotary in our district. The Kingston Council is fully supportive of this venture and we hope it will be an ongoing annual event.

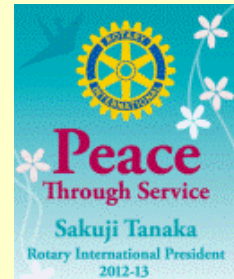

Since last Tuesday we have had a lot of rain, Collingwood leads the ladder, Black Caviar has triumphed at Ascot, the Olympic Games are almost here and I am sure we will have a great time together in the coming year.

Thank you again for your support

Glenyse

Entertainment

Sean Quinn, son of Leon and Jo, entertained us by singing two numbers– "*Pia Jesu*" and "*Better be Home Soon*". At 12 years of age, Sean is an experienced musician with an extensive repertoire of classical, church and popular music. He is a member of the Australian Boy's Choir and the St Patrick's Cathedral Choir.

Then followed a somewhat different form of entertainment from two renowned tellers of jokes Damian West and former member and Past President Deryk Pearson. They provided a range of "old" jokes, new jokes, medical jokes and Damian finished with his "Florsheim shoes" story that proved, literally, career changing for him.

Outgoing President's Report

Jeff Needham then delivered a report on Rotary Club of Mordialloc activities for the 2011-12 Rotary year. Highlights of the year included:

- The introduction of a strategic and operation planning process
- Celebration of the club's 40th anniversary of charter

- Successful golf days for Interplast and the City of Kingston Charitable fund

Latest News on the Gnome Festival

The Southern Area Concert Band are keen to put on a big band concert for the Gnome Festival, I have spoken to them and will be meeting up with them shortly to lock them in for Australia Day! We will also be able to view the Bouncy Castle at Southlands on July 7th and the Animal Farm will be at the Mornington Craft Market [at the Racecourse] to assess ... on July 15th plus they have over a hundred stalls for us to look at. The pieces of the jigsaw puzzle are all starting to come together. But we now need to start chasing sponsors to pay for it Len Dawson

Message from Len Dawson

Brian ... Could you please publish this information from 'Better Homes and Gardens' that confirms the Channel 7 - T.V. episode on the Australian Gnome Convention held last Australia Day in Glenbrook NSW. This is the example of the Lower Blue Mountains Rotary event that we are basing our 2013 Gnome Festival on. Perhaps we could record it and show at a club meeting for those who miss it. Len

Hi Len,

Thank you for your email. Currently the air date is the 5th of July 2012; please note this is subject to change, as you can imagine things can be shifted very quickly.

I will try to keep you informed if this date does change. I'm not sure if the Rotary Club advised but just for your information when we covered the story we did not include anything that suggested it was Australia Day, as this allowed us to air it at any time.

Let me know if there was anything else you needed to know.

Thanks ☺

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Outgoing President Jeff's Report to Changeover Dinner

The following is an edited version of Jeff's report to the changeover dinner on the 2011-12 Rotary year.

Community Service

We have undertaken the:

- Catering for the SIDS Walk to Remember around Albert Park Lake,
- Two barbecue events for the disabled people at Dingley Salvation Army, the second one involving the visiting GSE team from Texas USA.
- Support of the Bay Group, and of the Rotary Health Foundation.
- Under Don Butler's leadership we have continued our working bees at Parkdale Station, and we are grateful to the council for the extra effort they are making to continue to upgrade the area.
- The club was represented at the Kingston Council Services Club meetings.
- A great event was the assistance given to the Strathewen Primary School bushfire recovery through the establishment of a memorial fairy garden and the installation of a large shade sail. Thank you to Maureen McDonald and all those who helped.

A particular thanks to David Brunt who has done a marvellous job in leading this committee and now passes the baton to Carol Quayle. Thanks also to Gillian Dawson who has donated her old mini bus to the club for use by the Salvation Army and to Rob Goode for restoring it to near new and continuing to maintain it.

International service

The club contributed \$3,800 to the Foundation Annual Giving program. In addition, seven members became Centurions, bringing the number to 10 members who donate a minimum of \$100 per year to the Foundation. A thank you to Jack Cooper for organising this

The club hosted the five-member visiting Group Study Exchange team from District 5790 for a day in March and organised a cluster welcomes dinner for the team on the same evening. Kay Gordon is chairman of the District Group Study Exchange committee.

The club continues its support for Interplast with another successful golf day held in April that raised \$6000. Thanks to Barry Donaldson and his hard working committee.

Wheelchairs for Kids continued this year, the beneficiaries are disabled children in developing countries. Thus year we raised \$2300. Thank you to Maureen McDonald and the New Generations committee.

We have continued our association with the Rotary Club of Austin -Oakhill, Texas USA that is contributing \$250 to the Kingston Koorie Group towards for a surf carnival to benefit local indigenous students in late 2012. Our club will contribute a similar amount.

Paddy's Jewel Project, Vietnam. This project provides sustainable educational opportunities for children with severe hearing impairments. The project was investigated by Carol Quayle during a recent visit to Vietnam and the club is providing \$2000 financial assistance.

New Generations

The club has been working with three primary schools and five secondary schools on the following:

- MUNA – a team of 2 students attended MUNA this year at Parliament House
- Camp Awakenings – Parkdale Secondary College Year 9 students attend this camp each year
- National Youth Science Forum – Several Year 12 students are interviewed at club level and then some students go on to interviews at district level. Successful students will attend NYSF in January at either Canberra or Perth University.
- Operation Cleft Spellathon – Has been promoted by Rotary Club of Mordialloc and Rotary Club Moorleigh Moorabbin. Schools involved were Parkdale Secondary College, Mentone Girls Grammar and Mentone Park Primary School.
- Organ and Tissue Donation – This involved Parkdale Secondary College and Mentone Grammar.
- School Achievement Awards are given to three schools- Parkdale Secondary College, Mentone Girls Secondary College and Mentone Park Primary School.

We sponsored a young person to attend the Rotary Youth Leadership Awards (RYLA) week long program that will be held in July 2012.

We continued our association with the Mordialloc Neighbourhood House and conduct of the LEEP program that provides education and vocational opportunities for disadvantaged young people. The \$3700 amount raised from the auction at the club 40th Anniversary celebration was presented to the LEEP program.

Vocational visits were undertaken to the Tyabb Antiques and Briner Digital Signs.

Fundraising

Fundraising efforts for this year have been fantastic and the major ones have been:

The Mayoral Golf Day held in September 2011 raised \$7200 and half was donated to the Mayor's Charity fund. Thank you to all those involved in the organisation.

The Annual Art Show this year was a great success and made a profit of \$10,800. Special thanks to the art show committee and the special efforts made by Jack Cooper and Rob Goode in organising the design and manufacture of new hanging boards to meet Westfield requirements.

The regular Bunning's sausage sizzles were a surprise hit this year. Thanks to our team of Clem Quick, Jack Pyziakos and Bob Travers we have netted \$ 8200. A great effort and one I hope can continue into the future.

Thank you to the community committee who continue to sell the Entertainment Books.

Another major event and highlight last November was the celebration the club's 40th anniversary of charter. The celebration dinner at Woodlands Golf Club was a marvellous event attended by some 130 people and bringing together past and present members and many visitors. It was truly a great celebration of Rotary.
