Message from President Glenyse Guinan

Hi Fellow Rotarians

It has been great to watch the Olympics again this week and see the athletes performing. Since Greek times, the Olympic motto has been *Citius, Altrius, Fortius* or Faster, Stronger, Higher.

Along this theme, the media seem to focus endlessly on how many Gold, Silver and Bronze medals each country has won and we have all seen the league tables and are concerned that our old rivals Britain have even eclipsed Australia in sporting achievement. As Rotarians is this really important?

Perhaps we should consider that it is an honour for any person to be selected to represent their country and to become an Olympian. In ancient days, every four years, arms were put down, differences set aside, wars were put on hold in order that athletes would come together to compete in Athens at the Olympics.

In modern times Australia is one of the few teams that have competed in all modern Olympics despite the circumstances or location. The 2012 Summer Olympics will welcome 10,000 athletes from 200 countries. All athletes pledged to play in the spirit of Friendship, Fair play, Honour, Glory and in Peace. Surely this is the true spirit of the Olympics and what a wonderful achievement to celebrate.

This week, we are in the countdown phase leading up to our major fundraising event for the year, the annual art show at Westfield Southland Shopping Centre from 14 to 19 August. At tomorrow night's meeting there will be a detailed briefing on the procedures and tasks associated with running this event.

Last week's Meeting No 1980, 31 July at Mordialloc Sporting Club

Attendance: 26 members, 3 guests

Guests: Rosemary Barca (speaker), Evan Johnson, Nicole Cooper

President's announcements

President *Glenyse Guinan* opened the meeting and gave the following information:

- Arrangements for the Art Show are well under way and this week's meeting is devoted to a briefing of all aspects of setting up and running the show.
- Rotary defines its service activities into six "Areas of Focus" namely:
 - Peace and conflict prevention/resolution
 - Disease prevention and treatment
 - Water and sanitation
 - Maternal and child health
 - Basic education and literacy
 - Economic and community development

The club's projects and programs fit generally in with these.

- As at May 2012, throughout Australia there are currently 32,250 Rotarians in 1136 clubs arranged in 22 districts. New Zealand has 9300 Rotarians in 265 clubs in six districts. In PNG and SW Pacific Islands, there are a further 776 Rotarians in 41 clubs that are attached to Australian or New Zealand districts

Carole Quayle chaired the remainder of the meeting

Director and member announcements

Leon Quinn referred to the fellowship dinner to be held at Ficelle Restaurant, Parkdale on Wednesday 22 July.

Carole Quayle (community) reminded the committee of a meeting to be held that evening. The date for this year's SIDS walk for Remembrance around Albert Park Lake is Sunday 18 November. The club will be involved supporting the event by running a barbeque.

Brian Foley (Art show) gave an update on arrangements and asked those who have not done so to return roster sheets as soon as possible. This week's meeting will comprise a briefing session on Art Show procedures.

Len Dawson reported on a briefing session for community groups held at Bunnings new store in Mentone. Most discussion was about the sausage sizzles that Bunnings invites community groups to run as fundraisers. It is intended to run sausage sizzles on Fridays and Mondays in addition to the weekends. Bunnings has about 200 different community groups on its books.

Kay Gordon mentioned that the new Masters store in South Oakleigh is also running sausage sizzles for community groups.

Sergeant-at-Arms

Sergeant *Jack Cooper* commenced with an "honesty fine" on account of his phone ringing during the last meeting. Footy winners were fined and Tim's table proved top in the weekly quiz. Carol has a new grand nephew and Brian S reported that his new grandson is now doing well. Max Crimmins took the president and sergeant to task for not wearing their chains of office

Guest Speaker – Rosemary Barca "Domestic Violence"

Rosemary Barca is the manager of Emerge Women and Children's Support Network the only autonomous, independent, specialist family violence service in the Southern Metropolitan Area. The refuge is a communal living space shared by women and children.

The refuge service opened in 1975. It was the second such centre to open in Victoria. At that time the "half-way house" as it was called was run by a group of volunteer women. In 2009 the service was re-branded as Emerge Women and Children's Support Network to enable us to promote additional services without risking the safety of the women and children in the secure refuge and allow us to speak out to stop the silence on family violence. The rebranding enables us to expand our programs and services and assist as many women and children as possible from around the state as well as from the Southern Metropolitan area.

The service provided various forms of support for victims. As an example, Rosemary quoted the case of "Sally" a typical victim who arrives at the service with her young children after enduring a long period of physical abuse. She arrives with very little and learns to live in a mixed community of different ethnic and cultural groups while sorting out her immediate legal and financial needs and schooling for her children.

Domestic violence occurs across all cultures, relationships and lifestyles and Rosemary commented on some common myths about the causes and nature of the problem. Emerge deals primarily with the immediate problems for women and children after violence has occurred as they try to get their lives back together. Other agencies and programs deal with longer term prevention and education aspects although Emerge liaises closely with these bodies.

Rosemary responded to a number of questions relating to the following:

- The effectiveness of behavioural change classes for men. These vary and more research is needed.
- Legal aspects. Violence is a crime. Intervention orders are not always effective
- Organisation and management arrangements

KINGSTON ARTS MASSED BANDS CONCERT

Report from Len Dawson

Last Sunday, I attended a highly entertaining Big Band Concert at the Moorabbin Town Hall, to see the Southern Area Concert Band perform. This talented band is going to support our Gnome Festival on Australia Day. On Sunday they had over 40 skilled musicians performing at the Free Massed Bands Concert.

There were three other bands on the very full programme including MOJO plus two training bands ... The highlight was the finale when over eighty players from all the bands combined on the stage. They played a Rogers and Hammerstein selection, two other works and then brought the roof down with the magnificent 1812 overture – but, alas, no cannons.

Their President is as excited about our community event as we are ourselves and will act as our liaison with Kingston's municipal bands network.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
