Message from Bulletin Editor Brian Foley

Hi Fellow Rotarians

I write this message in the absence of President Glenyse who is now sailing the high seas with Sergeant Jack for the next few weeks.

At our last meeting, we were privileged to hear a most comprehensive and passionate talk from Carol Quayle detailing her life experiences. She has had a very full family and professional life and has suffered hardships along the way. She certainly puts into practice the motto "*determination will get you through*" learnt in her school days. We all have a much better appreciation of Carol and the drive that she brings to our club. She is a most valuable member who is putting great effort into the community service area.

It has often been remarked that some of our most interesting speakers have come from within our members' ranks and Carol's contribution was another good example of this.

As mentioned by President Glenyse in her closing remarks last Tuesday, the club has a very full program of both service activities and social events during the next month as listed on Page 5. Please get involved as much as you can and help to support the club in these activities.

And now Helen would also like to add this note to the club:

Dear Rotary Friends

Thank you all very much for the beautiful box of flowers and card of good wishes which Glenyse and Jack brought to me in hospital.

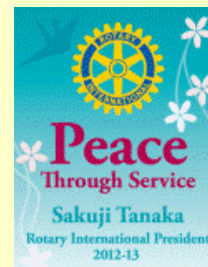

My new knee and I are slowly learning to manage together. I feel very encouraged by your kind wishes.

Thank you

Helen

John Fowler (Fundraising/Fellowship) spoke of the fellowship dinner at the Lobster Cave on Thursday. Please confirm numbers to Catherine Harris.

Len Dawson advised that the City of Kingston sent \$1500 towards costs of the Gnome Festival. Presentations have been made to all local schools.

Brian Schauer gave a short report on the visit to the Synchrotron in Clayton on Sunday 14 October. The range of complex equipment was most impressive and a huge range of major research is being undertaken covering industry, medicine, deep space, agriculture, education, sport, art and many other applications.

Clem Quick finalised the roster for the Bunnings sausage sizzle on Monday 22 October, viz,
8 to 10 am: Bob Travers, George Aivatoglou, Rob Goode
10 am to noon: Don Quayle, John Hoffmann
11 am to 1 pm: Malcolm and Jean Finlayson
Noon to 2 pm: Evan Johnson, Len Dawson
2 to 4 pm: Clem Quick, Jeff Needham

Jeff Needham is coordinating members for car parking at the Australian Masters Golf championship at Kingston Heath GC from 15 to 18 November. Assistance is needed for half or a whole day on these days. Please reply to Jeff if you can help.

David Wright reported on the very successful Australian Rotary Health "Hat day" held in the city on 12 October.

Sergeant-at-Arms

Sergeant *Jack Cooper* in a move to introduce some protocol fined all men not wearing ties. He then asked a few technical questions resulting from the visit to the Synchrotron. Most attendees were so overwhelmed, they could not remember any details. Jack then moved on to some general knowledge questions and plenty of chocolate frogs were handed out.

Guest Speaker: Carol Quayle

Carol gave a very comprehensive, illustrated presentation covering her life history. She was born in McKinnon and grew up in Highett where her family were deeply involved in local community activities, including scouts and guides, tennis and other sports. Carol was a girl guide

Carol did her secondary schooling at Moorabbin High School and remembers a saying of a valued teacher that "determination will get you through" that she still follows closely

Carol Quayle (cont)

At the end of schooling Carol decided to follow a career in the health industry and trained as a general nurse at Austin Hospital followed by specialised training at Princess Margaret Hospital for Children (WA) and Mercy Maternity Hospital for midwifery.

Carol and Don married in 1981. They had four children, a son Lachlan who died at 2 years of age and three daughters Bronwyn, Rhiannon and Megan who are now adults with good careers. Since the loss of their son in infancy, Carol and the family have had a special relationship with the Sudden Infant Death Syndrome organisation. The family is close knit and they also are "dog people" with a series of pets over the years.

Following time off raising her young family, Carol returned to nursing in 1991 and Don became the "house husband" a role that he has undertaken for 21 years.

A broken wrist suffered in 1992 meant that Carol could not continue in nursing and lead to a career change into social work. She undertook further studies that lead to a Bachelor's degree and later a Master's in social work.

Her work as a social worker involved:

- ▶ Outreach
- ▶ Parenting challenges
- ▶ Postnatal depression
- ▶ Adolescent transition challenges
- ▶ Providing opportunities for socially disadvantaged families

Carol then moved on to Royal Children's Hospital – the Victorian Paediatric Palliative Care. This brought in a range of new challenges such as support for families with a child facing death and education at all levels of the medical community.

She then took a position managing a team in palliative care, using her nursing and social work skills advocating for societal change and challenges to current medical practice in dying and death.

Carol has now returned to social work at in a hospital setting at Dandenong. She now faces a diversity of new challenges such as different cultures and languages, aboriginal health, health diagnosis (maternity to geriatrics to disability), age issues, multidisciplinary teams, settings (community/hospital/home/inpatient & outpatient) and others.

Her move to work in Dandenong means that she can continue her professional passions while devoting more time to family, Rotary community activities and her interest in Vietnam.

Carol concluded by saying that, having a house husband, there are some things that she will not do including cooking, cleaning, mowing lawns and putting the rubbish out.

Brian Foley proposed the thanks.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY INTERNATIONAL

8th October 2012

Mr. Malcolm Finlayson,
Treasurer,
The Rotary Club of Mordialloc,
P.O. Box 289,
MENTONE, VIC 3194

Dear Malcolm,

I am writing to thank you for the cheque for \$5,000 recently received from the Rotary Club of Mordialloc which has been split between Polio Plus (\$500) and The Rotary Foundation's Annual Programs Fund (\$4,500). Your club has yet again demonstrated the extraordinary things that Rotarians can achieve and they must all be enormously proud of this contribution.

While acknowledging this great support from your club, I also wanted to thank all those who must have worked tirelessly to make this possible. Nothing ever happens within a club without the support of its members and there's little doubt in my mind that your team is simply one of the best. Looking through the pages of history and seeing the consistency of your club's strong support for The Foundation gives me no doubt that my views are correct.

Thank you again for continuing this tradition of strongly supporting your Foundation. Your gifts will make a huge difference to our efforts to eradicate Polio and also to the lives of countless thousands around the world depending on us for help. You should all be genuinely proud of your efforts.
