District Governor: Brian Martin
Assistant Governor: Peter Murie

Message from President Glenyse Guinan

My dear Rotary Friends

It was great to hear all about Kay Gordon's trip to Ireland to see her son married, and then onto Germany, France and Egypt. The meeting was a lot of fun and well attended with partners and friends including newly-weds Cameron and Eimear Gordon.

Next year, the Rotary International Conference will be held in Sydney from 1 to 4 June at Homebush Stadium. Our members who have attended Rotary International conferences in the past have reported back what wonderful events they are and this will give an opportunity for you to attend in our own country. Please give this some thought in the next few weeks as accommodation will be scarce and we are considering going as a club.

President Elect Len and I have begun to make plans for the Club Changeover Dinner to be held at Woodlands Golf Club on Tuesday 25 June. We hope to welcome many of our past Rotary members and friends.

The draft update of the Strategic Plan has been discussed by the board and soon will be available for consideration. The committee members have put a lot of effort into planning their projects to ensure a successful and organised year and I would like to thank Jeff Needham and his team for their work.

Our Annual Art Show has been running continuously since 1976 and will be held at Southland this year in the week commencing 16 September. Help will be needed during the week from as many members as possible. Unfortunately, we do not have any sponsors at this stage, so please let Jeff Needham or Jack Cooper know if you have any ideas.

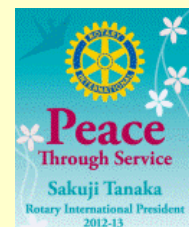

The District Training Assembly will be held next Sunday at Deakin University in Burwood. We encourage as many members as possible to attend, in particular new members and the incoming board. The club has to pay for all members so you can register on the day.

Please also keep Sunday 26 May free when we head off to the Tyabb Airfield and Historic Museum followed by lunch at the Tyabb Antiques Shed.

President continued

I look forward to seeing everyone on Tuesday when our guest speaker will be Drew's brother Simon Libbis, an expert on Property Law.

**Last Meeting
No 2017, 14 May at Mordialloc Sporting Club**

Attendance: 25 members, 10 guests

Apologies: Brian Schauer, Helene Rogers

Guests: Don Van (past member), Gay Waite, Helen Brunt, Helen Foley, Helen Goode, Jean Finlayson, Kathy Pyziakos, Geoff Hillard, Cameron and Eimear Gordon

Make-Ups: Glenyse Guinan and Len Dawson (District presidents' meeting), Kay Gordon (GSE), Brian Foley (RC Waverley).

Sickness: John Dawe is reported to be recovering as is Margaret Tye who had been in hospital. Damian West is undergoing a change of medication for his condition and is he is going well although facing some challenges.

President's announcements

President *Glenyse Guinan* welcomed the large number of guests, including family and friends of speaker Kay and especially newlyweds Cameron and Eimear.

Glenyse then announced the following:

- The Interplast Golf day held on 10 May was a great success played in fine weather. The Le Pines team were the winner of the teams' competition. Thanks to all who participated and helped with running and organising the day. Takings were about \$7,700 and a profit of around \$6,000 is expected for Interplast
- This year's District Assembly will be held on Sunday 19 May at Deakin University Burwood.
- The club fellowship dinner is to be held on Thursday 16 May at Peking Duck Kitchen Chinese Restaurant, 1220 Nepean Hwy, Cheltenham.
- The visit to the Tyabb Airfield museum on Sunday 26 May commencing at 10.30 am followed by lunch
- The District Changeover dinner will be held on Saturday 15 June at Kingston Links Golf Club in Rowville

Clem Quick chaired the remainder of the meeting

Director and Member Announcements

Carol Quayle (community) announced that only two Entertainment Books are still available for sale. Some books collected, have not been paid for.

Bob Travers (new generations) advised:

- Seven applications had been received for the National Youth Science Forum. Paul Taranto commented that all must register on the NYSF website as well as notifying a club.
- Cheltenham East Primary School is planning to run a Wheelathon on Wednesday 5 June. Assistance is needed from members for running a barbeque

Clem Quick reminded about the next Bunnings sausage sizzle on Friday 24 May. A roster is being prepared and a few more helpers are needed.

Cliff Riley reminded us again that May is Rotary Bowelscan month and urged everyone to take part in the relatively simple bowel cancer screening program. Testing kits cost \$10 and are available from Cliff or at participating local pharmacies. Completed test kits **must be returned to one of the pharmacies before the end of May** to be included in the testing program.

Brian Foley advised that the bulletin for next week's meeting would be issued on 16 May and there would be none for the next two weeks as he will be interstate. Please take note of rosters for coming meetings.

Jack Pyziakos advised that he would departing next week to undertake another walk of 600 km in Spain with Kathy before then going to the RI Convention in Portugal.

Keith Carpenter then presented John Fowler with the winning teams' prizes from the Interplast golf day

Sergeant-at-Arms

Sergeant *Jack Cooper* identified Jack Pyziakos and Kathy as the latecomers as well as Cliff. The Storm lost again so maybe they will improve while Jack is away. Footy winners were fined as well as a few people seen using their phones during the meeting. *Clem Quick* concocted an (unlikely) story about Kay and the bulletin editor in a cupboard.

Jack again ran the weekly quiz covering Rotary knowledge questions as well as those on geography, history, Panama hats and general knowledge. The frogs keep coming.

Guest Speaker – Kay Gordon “Travels in Ireland, Europe and Egypt”

Kay told us of her recent trip combining participating in her son Cameron's wedding in Ireland with a holiday in parts of Ireland, Spain, Germany, France and Egypt. Kay showed a representative range of photos showing the various places and events that she saw.

The trip started when Kay and a friend Ces stopped over in Dubai for 48 hours, seeing the modern wonder that is Dubai including a man-made snowfield in Dubai and a trip out into the nearby sandy desert.

Continued P 3

Kay Gordon (cont)

Arrival in Ireland coincided with cold weather, the temperature remaining between 3°C and 6°C throughout their stay. The sights of Ireland included Dublin Castle, Trinity college and the Book of Kells, travel around the Ring of Kerry, Bunratty Castle, Galway and Newgrange Sloane – an ancient Celtic burial mound.

Wedding Day for Cameron and Eimear produced a heavy snow cover but did little to upset the happy event.

After Ireland, Kay travelled on to Stuttgart in Germany, a very “clinical” and ordered city, to visit friends. Then on to Paris where they say the sights via a “hop on and hop off” bus. Kay was surprised at the number of beggars seen around Paris. Next stop was Barcelona in Spain where they saw many the magnificent buildings built for the 1992 Olympics, Gaudi’s as yet unfinished cathedral and Montserrat and they were fascinated to meet the “man without a head”.

The last stop was Egypt that Kay visited with son Rohan, Hannah and grandson Callum. The temperature in Egypt was mostly a pleasant 20° to 30°. The dire economic problems of Egypt due to continuing unrest were apparent with the general run down state of Cairo and a lack of tourists with many facilities and cruise boats not operating. Despite some fine old buildings in Cairo, there were many unfinished ones.

Despite the tour brochure pre-publicity, Kay found that they were restricted to a compound at their hotel for security and could only venture out in a supervised group. However, they were able to see many of the sights including the Nile River, Pyramids, the Sphinx, the Colossus of Ramses II, Lake Nasser formed by the Aswan Dam, the temple of Abu Simbel that was raised and rebuilt 60 metres higher to avoid flooding from Lake Nasser, Luxor and many other temples and sights along the Nile. They also visited the hotel on the Nile that was frequented by Agatha Christie and Winston Churchill.

Brian Foley proposed the thanks for Kay’s very informative and enjoyable presentation.

Application for Membership

The club board has received and approved an application for membership from the following person:

Name: Donald Francis Van

Speaker on 4 June on subject of Bipolar Disorder.

Our speaker on 4 June will be Michael Reynolds a researcher into Bipolar Disorder who has sent the following information about his presentation. Any family or friends would be welcome to attend this presentation.

*"To whom it may concern,
I am writing to you today as a Monash Rotaract member of District 9810 and as a researcher in Bipolar Disorder and genetics. Our particular interest is in identifying endophenotypes, the expression of neurocognitive and social cognitive enhancements or deficits, which will aid in identifying specific genes. Identifying genes will greatly aid in creating novel treatment for those people suffering bipolar disorder, both immediately as techniques for psychotherapy may be developed and long-term as new genetic markers will lead to novel pharmacotherapy options.*

In association with Swinburne University, Monash University and the Alfred Hospital, we have particular interest in this gap in the literature, which we intend to address with this project. These benefits for treatment in Bipolar Disorder will aid in improving functional, occupational, social interactions and daily living.

We would like to recruit First Degree relatives (e.g. siblings or offspring) of those people suffering bipolar disorder but do not have the disorder themselves. Participation involves completing an array of cognitive and emotional tasks in addition to a survey and an interview. We also require a blood sample for genetic analysis. The cognitive battery includes testing your executive functioning abilities, attention, working memory and more. Everything is confidential and participation is voluntary. You will also be paid \$50 for your time once you have completed the interview, cognitive battery, survey, and provided a genetic sample.

If you are interested in taking part in this study please contact me at michaelreynolds@swin.edu.au or on 9076 6564.

*Kind Regards
Michael Reynolds

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
