**Message from President Glenyse Guinan**

One way and another, it has been a very exciting year and a privilege to have been the President of such a wonderful Rotary Club. I could not have imagined how busy I would be and the year has sped by. Looking back there has been some wonderful times and great highlights. Together we celebrated the 2000<sup>th</sup> meeting at Cape Schanck and enjoyed High Tea at Kathy and Jack's and dinners at Italian, Chinese, French restaurants as well as Oscar's. We also shared a memorable Christmas celebration at Woodlands. We welcomed three new members into the club.

Early in the year, we had a successful Art Show at Southland. The Rotary Club of Mordialloc's Art Show has run continuously since Jack Cooper was President in 1975. This year we have added another community event to our calendar with the Gnome Festival and we hope this will be as successful as the Art Show in years to come. It is always a risk to begin a new project and I thank all of the members, our friends and sponsors who gave us their support to make this event so successful.

In this message it has not been possible to list all of the club achievements or all of the people I would like to thank individually and that will be in the Annual Report.

An initiative of New Generations were the 'Wheelathons' held at Mentone Grammar and Cheltenham East P.S. resulting in awareness and raising funds of over \$10,000 for Wheel Chairs for Kids. In the international area, a highlight was being the lead club for a Matching Grant for a Water Purification Plant in China to provide clean water for 6 schools and their local communities. Support for polio eradication is a continuing Rotary priority. The club also hosted a GSE team from Malaysia and we had two very successful golf days at Woodlands Golf Club. Club members have worked to support the work of the Salvation Army at Kingston Gardens and the SIDS Walk for Remembrance around Albert Park Lake.

We have had some great guest speakers including football legend David Parkin and amongst the most charming was last week when we had Charli and Jonathon telling us about the 'World Dwarf Games'.

We hope you have a great time at Woodlands Golf Club for the Changeover Dinner where it will be my great pleasure to recognise John Dawe with an Honorary Membership of the Rotary Club of Mordialloc. Unfortunately John is not well enough to attend but will be represented by his family.

President's message continued  
Particular thanks to my Sergeant-at-Arms Jack, Past President Jeff Needham and Past District Governor Brian Foley for their advice and support. Thank you to all board members for their hard work, loyalty and assistance. Thank you also to our members and Rotary friends for working so hard during the year and for providing me with the opportunity to be your President, I have enjoyed every moment. Finally my very best wishes and support to Len Dawson our next President.

**Last meeting  
No 2022, 18 June at Mordialloc Sporting Club**

**Attendance:** 20 members, 3 guests

**Apologies:** Kay Gordon, Malcolm Finlayson, John Fowler

**Guests:** Charli Kate Worgan and Jonathon (guest speakers), Don Van

**Make-Ups:** Keith Carpenter (RC Braeside)

**Sickness:** John Dawe is very unwell.

**President's announcements**

President *Glenyse Guinan* announced the following:

- A final reminder for the club Changeover Dinner on Tuesday 25 June at Woodlands Golf Club.
- The last board meeting for this Rotary year would be held on 19 June and will involve members of both outgoing and incoming boards.
- The District 9810 changeover night on 15 June was a great and exciting night for the club. We were awarded the RI Presidential Citation and a RI peace Award for our all round efforts during the year as well as a new club project award, club PR and publicity award and individual recognitions for Kay Gordon and Brian Foley for their district work.

**New Member Induction – Don Van**

President Glenyse then called Don Van forward and read the induction charge to formally induct him into the Rotary Club of Mordialloc.

Don then responded and expressed his pleasure at being re-admitted to the club. He was a member from 1971 to 1995 and was club president in 1978-79. Although not a charter member, Don was one of the first two members inducted after the club was chartered. He also introduced late PDG Don Holderness into the club.

His details are:

President Glenyse and Don Van

*Bob Travers* chaired the remainder of the meeting

**Director and Member Announcements**

Secretary *Brian Schauer* has received a letter and donation to the club from Dorothy Holderness who will be attending the club changeover night.

*Jack Cooper* (Art Show) had the printed entry forms for this year's show and organised members to remain to prepare the mail out to artists after the meeting.

*Bob Travers* (New Generations) advised as follow

- Thanks to Max Crimmins and Brian Foley for assisting with interviews of National Youth Science Forum applicants last week. Six were interviewed and four recommended to the district interviews. The selected candidates would be sponsored by three clubs.
- A combined clubs (Aspendale, Chelsea and Mordialloc) dinner would be held on 12 November at Parkdale Secondary College.
- Bob had attended a meeting at Mentone Park Primary School concerning a student mentoring program for which Rotary involvement is proposed.

Bob has also heard from Jack and Kathy Pyziakos who were nearing the end of their 600 km walk across Northern Spain before going to the RI Convention in Lisbon

**Sergeant-at-Arms**

Again, Sergeant Jack Cooper had no latecomers to fine so the sergeant's message is finally getting through. Footy winners were fined as usual. Rob Goode helped Lach Mason tow a boat up the Hume Highway towards Queensland – they certainly were not speeding!

Jack conducted his regular and popular quiz and, with Tim away, the rest of us had more chances.

## Guest Speakers – Charli- Kate Worgan and Jonathon – The World Dwarf Games

In introducing themselves, Charli-Kate explained that there were about 300 different medical conditions that lead to dwarfism and it affects about 1 in 25,000 of the population. Dwarfism is characterised by shorter than normal skeletal growth. They endeavour to lead normal social and working lives like the rest of the population. Charli-Kate works as a customer relations officer for Telstra and Jonathon is a purchasing officer for an international company.

In sport, they face obvious limitations and the World Dwarf Games provides an opportunity for athletes affected by dwarfism to compete on a level basis against others. Dwarfism is recognised as one category of the Paralympic Games although the World Dwarf Games are run by a separate organisation. The objective of the Dwarf Games is to encourage competition and raise the profile of the condition.

The last games were held in Belfast, Northern Ireland in 2009 where Jonathon competed as one of the 15 Australians among 300 total competitors. He won six medals in table tennis, basketball and swimming.

The next Games will be held in the United States from 3 to 10 August 2013 and 600 are registered already. Charli-Kate and Jonathon are among 33 Australians from all states who have been training hard for the past two years in five separate sports.

The cost of participating is approximately \$5000 per athlete and at this stage they have no major sponsor so that participants expect to meet most of their costs.

Charli-Kate and Jonathon responded to a number of questions on various aspects of their lives and sporting arrangements. In response to one question, it was explained that the words "Dwarf" and "Dwarfism" are the accepted medical terms although recognised alternatives include "Little People" or "Short Statured People".

In most sports events, the equipment and track dimensions are the same as for all other athletes although there are no long distance events in running or swimming. The height of the basket in basketball remains the same so, as Jonathon explained, he has to shoot higher and more accurately than a normal height person to score a goal!

Paul Taranto proposed the thanks.

### On the lighter side

#### *Chicken Surprise*

*A couple go for a meal at a Chinese restaurant and order the 'Chicken Surprise'. The waiter brings the meal, served in a lidded cast iron pot.*

*Just as the wife is about to serve herself, the lid of the pot rises slightly and she briefly sees two beady little eyes looking around before the lid slams back down. 'Good grief, did you see that?' she asks her husband. He hadn't, so she asks him to look in the pot. He reaches for it and again the lid rises and he sees two little eyes looking around before it slams down.*

*Rather perturbed, he calls the waiter over, explains what is happening, and demands an explanation.*

*'Please sir,' says the waiter, 'what you order?' The husband replies, 'Chicken Surprise.'*  
*'Ah! So sorry,' says the waiter, 'I bring you Peeking Duck!'*

### The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
