Dear Rotary Club of Mordialloc(Inc.),

On behalf of the AVVRG Vic Health Education Team, I would like to thank you for supporting our work, with a generous donation of \$2000. Your donation will enable us to assist the purchasing of equipment to implement several much needed occupational therapy workshops. In these workshops, the occupational therapists will be able to provide the theory and then demonstrate and assist the Vietnamese therapists in the formation of compression garments used to treat patients with lymphoedema.

Thank You

A handwritten signature in blue ink that reads 'J. Wright'.
