Message from President Jeff Needham

Hi Fellow Rotarians

A big thank you to Graeme Bruce for sharing his trip to Antarctica with us last Tuesday night, it was most entertaining.

Everyone please be aware that the dinner at Mentone Park Primary School this Tuesday has been **CANCELLED**. We are back at the Mordialloc Sporting Club where Kendra Parker the principal and Perry Kick, the assistant principal, will attend our Rotary meeting as guest speakers.

The strategic and operational plans updates are now overdue and I look forward to receiving this vital input so I can put the plan together for you all by the end of June. I hope you are all discussing what is going into next year's plans so we can get the actions you want to occur into our budget for next year. Get involved and speak to your service chairperson for next year. Don't just wait for things to happen because they probably won't.

Thank you to everybody who stayed back last Tuesday to help with the Art Show artist invitations. They have now all been posted so the show is off and running for this year.

Finally, our changeover night is on June 19th. Please keep this night free to welcome Glenyse as our new President. I am sure she is eager to get started and a strong attendance will show her the support she will have from all of us.

Look forward to catching up with you again this week

Rotary Regards

Jeff

Director and Member announcements

David Brunt reported that there are just a few Entertainment Books still available for sale.

Maureen McDonald spoke about the meeting at Mentone Park Primary School scheduled for this week.

Note that the meeting has now been relocated to our normal meeting venue at Mordialloc Sporting Club.

Len Dawson gave an update on arrangements for the Gnome Festival to be held in conjunction with the City of Kingston Australia Day celebrations on 26 January next. Len, together with Jeff Needham and Jack Cooper, were to visit a "professor of gnomology" to find out more about the subject.

Jack Cooper gave an update on art show arrangements. The entry forms were to be posted on 30 May. A substantial sponsorship has been secured through Bendigo Bank, Parkdale.

Barry Donaldson reported that a representative of Interplast would be invited to a meeting this month for handover of the cheque from this year's golf day.

Cliff Riley advised confirmed that the Rotary Bowls program is being held in June this year and Cliff has the test kits available for \$10 each.

Kay Gordon advised that the Group Study Exchange visit to Texas is now completed and was very successful. The team leader has returned to Melbourne and several team members are touring USA.

Brian Foley had received a message from Mike Woods, in Denver USA, seeking information on behalf of his daughter in relation to Rotary water projects in developing countries.

Sergeant-at-Arms

In the absence of regular Sergeant Leon, Bob Travers stood in at short notice. Footy supporters, especially Hawthorn for their loss, came in for attention. Keith Carpenter told a story about a little black dog. Kay paid a \$ delight for Geoff's new granddaughter and Jack Pyziakos for enjoying the company of his sons.

Guest Speaker – Graeme Bruce – Trip to South America and Antarctica

Graeme told the story of his visit to the southern tip of South America and Antarctica in late 2009 via photographs and a video that he compiled during the trip.

The background to the trip is that as part of the 'Fun over 50' Expo run by the Rotary Clubs of Bentleigh Moorabbin Central, Hampton and Mordialloc in 2009, the company Peregrine Adventure travel donated an auction prize of two tickets to visit Antarctic. It was also decided that the proceeds of the auction would be used to finance construction of a "fairy garden" at Strathewen Primary School as a bushfire recovery project.

Graeme had the winning bid at auction and took a long term friend from student days along for the trip.

The trip commenced with a flight to Ushuaia, a town at the southern end of Argentina. From there they transferred to a Russian owned trip specially designed and equipped for tours to Antarctica. There were about 100 persons in the tour party. The locality plan above shows the route taken by the ship in red colour.

Guest speaker (cont)

Weather conditions during the three-day crossing from Ushuaia were cold and the sea very choppy. Graeme claimed that the conditions did not worry him and showed pictures of him lightly clad on the outside deck while others sheltered inside. He even had a short video of himself taking a swim in the sea!

The scenery of Antarctica was magnificent and showed up well on the video.

At the conclusion, Graeme made a short personal presentation to the representative of Peregrine Adventure Tours, Jane Read

Message from Len Dawson concerning the "Gnome Festival"

Brian ... Could you please publish this information from 'Better Homes and Gardens' that confirms the Channel 7 - T.V. episode on the Australian Gnome Convention held last Australia Day in Glenbrook NSW. This is the example of the Lower Blue Mountains Rotary event that we are basing our 2013 Gnome Festival on. Perhaps we could record it and show at a club meeting for those who miss it. Len

Hi Len,

Thank you for your email. Currently the air date is the 5th of July 2012; please note this is subject to change, as you can imagine things can be shifted very quickly. I will try to keep you informed if this date does change. I'm not sure if the Rotary Club advised but just for your information when we covered the story we did not include anything that suggested it was Australia Day, as this allowed us to air it at any time. Let me know if there was anything else you needed to know.

Thanks ☺

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
