Message from President Jack Pyziakos

The coming week in Rotary is shaping up to be very busy. There is a board meeting on Monday night at my place and then the Rotary Radio Hour on Southern 88.3 FM at 3 pm Tuesday followed by the weekly Rotary meeting that evening. On Wednesday evening the first committee meeting for the next Gnome and Fairy Festival will be held. On Thursday we will be peeling onions at 6 pm for the Bunning's BBQ on Friday. So lots of planning by the Radio team of Ernie, Brian and Jack Cooper with contributions from Paul Taranto, Trina Williams, Kay Gordon and others. So stay tuned on Tuesday afternoon.

And then this weekend we have the Preliminary Finals in both the NRL and AFL with Storm playing the Sharks and Richmond playing Collingwood on Friday evening followed by West Coast and Melbourne on Saturday afternoon.

There was much buzz and discussion at the committee meetings last Tuesday evening. It was also wonderful to hear the planning of programs and it was great to have Jenny Pudney contributing to the youth committee with ideas, contacts and even taking on aspects to help keep some of the youth programs in a fluid state. David Brunt was a little concerned with the poaching of members to committees other than his for the night. Other committees had a similar problem but all got on with the job.

Program chairman Glenyse has a wonderful line up of speakers to the end of the year. I ask you all to encourage friends and family to come to any meetings where the speaker and topic are of interest.

The strawberry tart made by Di Taranto and Gabriele meant that the raffle was hotly contested. It was won by Cliff Riley who planned to share with his visitors for dinner the following night.

Last week's chairperson Trina Williams controlled the meeting very well and must be congratulated as it was her first time in this role. She was assisted by Sergeant Kay who was efficient as always.

Yes, my message is short for this week as we have been away to Nathalia for the opening of Kathy's cousin's hotel named the Court House Hotel. The Rotary Club of Nathalia will be meeting there.

Yours in Rotary
 Jack Pyziakos

Rotary announces US \$96.5 million to end polio

EVANSTON, Ill. (August 15, 2018) — Rotary today announced nearly \$100 million in grants to support the global effort to end polio, a vaccine-preventable disease that once paralysed hundreds of thousands of children each year. The announcement comes as Nigeria marks two years without any reported cases of wild poliovirus, following four reported cases in 2016.

"The fact that no new cases of wild poliovirus have been detected in Nigeria points to the improved surveillance and rapid response protocols Rotary and its Global Polio Eradication Initiative partners have established, particularly in insecure and inaccessible areas," said Michael K. McGovern, chair of Rotary's International PolioPlus Committee. "While this progress is promising, it's time to redouble our efforts so we can continue to maintain the political and financial support necessary to end polio for good." While significant strides have been made against the paralyzing disease, wild poliovirus is still a threat in parts of the world, with 10 cases in Afghanistan and three cases in Pakistan this year.

Continued from left column

As long as a single child has polio, all children are at risk, which underscores the need for ongoing funding and political commitment to eradication. To support polio eradication efforts in countries where polio remains endemic, Rotary is allocating the majority of the funds it announced today to Afghanistan (\$22.9 million), Pakistan (\$21.7 million) and Nigeria (\$16.1 million). Further funding will support efforts to keep 12 vulnerable African countries polio-free:

- Cameroon (\$98,600)
- Central African Republic (\$394,400)
- Chad (\$1.71 million)
- Democratic Republic of the Congo (\$10.4 million)
- Guinea (\$527,300)
- Madagascar (\$690,000)
- Mali (\$923,200)
- Niger (\$85,300)
- Sierra Leone (\$245,300)
- Somalia (\$776,200)
- South Sudan (\$3.5 million)
- Sudan (\$2.6 million)

Rotary has committed to raising \$50 million a year to be matched 2-to-1 by the Bill & Melinda Gates Foundation, yielding \$450 million for polio eradication activities over a three-year period.

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

What is Donation In Kind?

- **\$1,000,000 of goods available for your LOCAL or OVERSEAS Projects**
- **Volunteers contributing 10,000 hours each year to help Clubs by gathering, sorting and assisting to ship goods for Rotary Projects.**
- **Volunteers who will pack your project if getting to the Store is a challenge**
- **The most cost effective way to support some of the Rotary Foundations Areas of Focus.**

1. If you have a project that needs material, your first thought should be **“can I get it from DIK?”**
2. If you are looking for a project we believe we have one available to match the capacity and interests of every Rotary Club.
3. Projects ready for you to adopt and own with the goods available for immediate shipment.
4. Project Partnerships are easiest way to have your own project and to be involved at a level that suits you. Another Club has done all of the hard work and developed the project and created subprojects that another Club can adopt. As a partner you can manage your part of the project and also celebrate the accomplishments of your partner.
5. The activities of DIK avoids items which still have a useful life left going to landfill in Australia.
6. Support a DIK Project. All you need to do is send the money and the volunteers will do the rest

Equip a Hospital

Equip a School

On average \$1.00 will ship goods worth \$15.00
